TERM 1 WEEK 7 | 17 MARCH 2016

Dear Parent/Carers

Thank you to the parent/carers who have completed the parent/carer survey *Tell Them From Me*. We are currently at 16% for families who have completed this survey. I encourage all families to participate in this online survey before it closes on the 1st April. Log in details are: [www.tellthemfromme.com.au](http://www.tellthemfromme.com.au)

User name: parent65018

Password: BungPS

Our Year 3 to 6 classes now have their new furniture. As a number of families have commented; the classrooms are looking great with the orange chairs being a big hit. Our aim is to replace Year 1 & 2

Room 15 new student furniture

student furniture next year and PrePrimary and Kindergarten the year after. If you would like a preloved student desk please contact the front office or your child's teacher (if in Year 3 to 6) before the end of term. Any of our old desks left at the end of the term will be recycled.

The Kiss and Ride along the new footpath near the green shed is completed (apart from signage). This is for picking up and dropping off students. There is now a walkway shown in yellow between the diagonal parking bays that goes into a crosswalk. I

encourage parents to use this walkway or alternatively the new footpath when in this area rather than walking behind cars. Part of the oval is available for **overflow parking** to ease our traffic flow. This area is shown by witches hats. Please do not park past the witches hats onto the oval proper.

A number of families have expressed disappointment to me that people are parking illegally while picking up or dropping off children at school. This includes non disabled drivers parking in the disabled car bays and drivers parking on residential lawns. Please be aware that normal road rules apply. The City of Rockingham may choose to fine drivers for illegal parking.

Congratulations to Mrs Hollingsworth and our Bungaree students for their efforts at the RASSA Carnival yesterday. Once again Bungaree came home victorious. The teams looked terrific in their new interschool sport shirts. See results overleaf.

The P & C are running an Easter raffle which will be drawn next Thursday after lunchbreak. Donations of Easter eggs are urgently needed. The judges will be viewing Easter hats during the day. The hats need to be made at home and brought to school on the day.

Tomorrow Friday 18th March, John Fleming is providing training on explicit teaching to staff. Students of Bungaree and PLDS Bungaree campus are not attending school.

Congratulations to the P & C members who have been voted in for 2016. The P& C are looking for a keen individual who is willing to take on the role of president. All other positions have been filled. See overleaf.

## IMPORTANT DATES

### SkoollBag App

See what is going on at Bungaree using SkoollBag.

Alerts sent straight to your phone.

Absentee form for quick notifications.

Instructions available on the school website.

### Fri 18th March

School Development Day - No students to attend

### Mon 21st March

Rm 6 & Rm 19  
Excursion -  
Gary Holland Centre

### Tue 22nd March

**FRIDAY 18TH March**

NO STUDENTS TO ATTEND

EASTER HOLIDAYS

**FRIDAY 25TH March**

**MONDAY 28TH March**

**TUESDAY 29TH March**

NO STUDENTS TO ATTEND

## Park It..... Chin It..... Bin It....

Is how Room 5 have been mastering our warm ups with our white boards this Term. Park it means have the board flat on the ground whilst we quickly record our answers, chin it means show everyone holding it still at our chin and bin it means wipe it off so we can do something new.

Our goal is to have park it, chin it, bin it perfected at hyper speed by the end of term.

## Build To 10!

Our mathematics strategy this week is build to 10. We are becoming efficient mathematician's by recalling facts that make 10. To consolidate our learning we played Shake and Spill, Paul Swan build to 10 game and our Roll and Write game.

Can you solve this problem?

$$8 + \underline{\quad} = 10$$
